

LOCKDOWN

VERSUS

SHELTER-IN-PLACE

DIFFERENCES BETWEEN THE TWO PROCEDURES

Both Lockdown and Shelter-in-Place involve taking refuge in a pre-designated room until the emergency situation is resolved.

Protects against threats of violence

Protects against environmental threats

Close blinds or curtains; turn off lights; lock or barricade door(s)

Seal doors and windows with plastic and tape

Remain calm; mute cell phones; remain **quiet**

Remain calm

If the fire alarm sounds, wait for instructions from emergency personnel

If the fire alarm sounds, evacuate the building
