Item	Make/Model	Serial#
Receipt/Price	Purchase Date/Location	Additional Notes <i>(photo, identifying marks, condition)</i>

Item	Make/Model	Serial#
Receipt/Price	Purchase Date/Location	Additional Notes <i>(photo, identifying marks, condition)</i>

The Salt Lake City Police Department suggests keeping a record of your valuables—including serial numbers, make/model information, receipts and photos—so that recovered property may be more easily returned to you in the unfortunate event it is stolen. While this inventory sheet is a good starting point, SLCPD recommends contacting your insurance provider for their unique requirements.
